Item 7.01 Regulation FD Disclosure.

In calls with analysts on November 11, 2024, representatives of Monolithic Power Systems, Inc. (the “Company”) confirmed the Company has no performance issues and remains in NVIDIA Corporation’s bill of materials for its next generation systems. The Company’s Q4-2024 guidance remains unchanged.

This Form 8-K is being furnished solely to satisfy the requirements of Regulation FD. The Company undertakes no obligation to update this information or release similar information in the future.

Safe Harbor Statement

This report contains forward-looking statements, as that term is defined in the Private Securities Litigation Reform Act of 1995, including statements regarding the Company’s solutions, the application of such solutions in NVIDIA products, and the Company’s bookings. These forward-looking statements are not historical facts or guarantees of future performance or events, are based on current expectations, estimates, beliefs, assumptions, goals, and objectives, and involve significant known and unknown risks, uncertainties and other factors that may cause actual results to be materially different from the results expressed by these statements. Readers of this report are cautioned not to place undue reliance on any forward-looking statements, which speak only as of the date hereof. Factors that could cause actual results to differ include, but are not limited to, the important risk factors identified under the caption “Risk Factors” and elsewhere in our Securities and Exchange Commission (“SEC”) filings, including, but not limited to, our Annual Report on Form 10-K filed with the SEC on February 29, 2024.

SIGNATURES

Pursuant to the requirements of the Securities Exchange Act of 1934, the registrant has duly caused this report to be signed on its behalf by the undersigned, thereunto duly authorized.
